Fabric: 3" wide 14 count aida stitch-band, Perforated paper, or other fabric (to be hemmed after stitching).

Design will fit on exactly on a 2" stitch-band, but has no side margin. So if 2" band is used, select a band without woven patterned edges.

Stitch count: 28w X 132h as shown, but this can be decreased by 41 stitches (by omitting the center repeat) or lengthened by multiples of 41 stitches.

Size: 2" wide by 6.5" long (without repeat)

DMC Floss: Use one light and one darker or
Overdyed Floss: Use solid/darker for outline and variegated color for interiors.

41 stitch segment can be repeated or omitted to create design length desired.
